

Morison International Ranks Second in Russia

Morison International (MI) is delighted to announce that it has been ranked in the top 5 associations in the recent Russian *International Accounting Bulletin* survey of associations.

MI's Russian member firm Joint-Stock Company 2K, ranked second in terms of the total revenue, with a 15% growth year on year and fifth in terms of the number of staff.

The International Accounting Bulletin is a monthly bulletin which provides exclusive surveys of accounting firms in leading and emerging markets, delivering over 20 country and regional surveys per year. MI participates in a large number of these surveys including the annual World Survey which ranks global associations and networks.
